Key Concepts: Resourcing

- Resource base of public institutions is shifting.
- We must be good stewards:
 - Providing value to students for higher tuition (EEE's efforts on curriculum, advising, recruiting).
 - Efficiency study discussed at last meeting.
- Planning important to identify new resources.
 - DDI is focused on resources for scholarship.
- Today: *How can we be more entrepreneurial in general?*
 - Philanthropy and the Capital Campaign.
 - Entrepreneurship & technology commercialization.
 - Letting faculty, staff, & students innovate.
