

# Receiving the Work Group Reports

Celebrating how far we have come!

Strategic Planning  
Steering Committee Meeting

March 17, 2011

# Progress: Participation Highlights

- Almost **1000** responses to a survey by EEE on proposing goals of general education
- Through departments **almost every faculty member** on the Lawrence campus had direct input into prioritizing learning goals
- Multiple focus groups involving **hundreds** of faculty, staff, students, alumni, and community members

# Progress: Participation Highlights

- Recent people enabler survey with approximately **1000** participants
- One Town Hall meeting with **70** attendees and two additional planned
- Open meeting held at Staff Leadership Summit
- Wide participation in committees and work groups

# Progress: Strategic Initiatives

- **104** Strategic initiative nominations were received
- Over **2,400** individual names were listed as collaborators in those initiatives
- Next steps:
  1. DDI, deans, external experts, and student panel will review, score, and/or comment
  2. Deans will propose clustering of bold strategic initiatives under 3–5 theme areas
  3. Retreats will be held in the fall for each of the thematic areas

# Progress: Enabler Goals

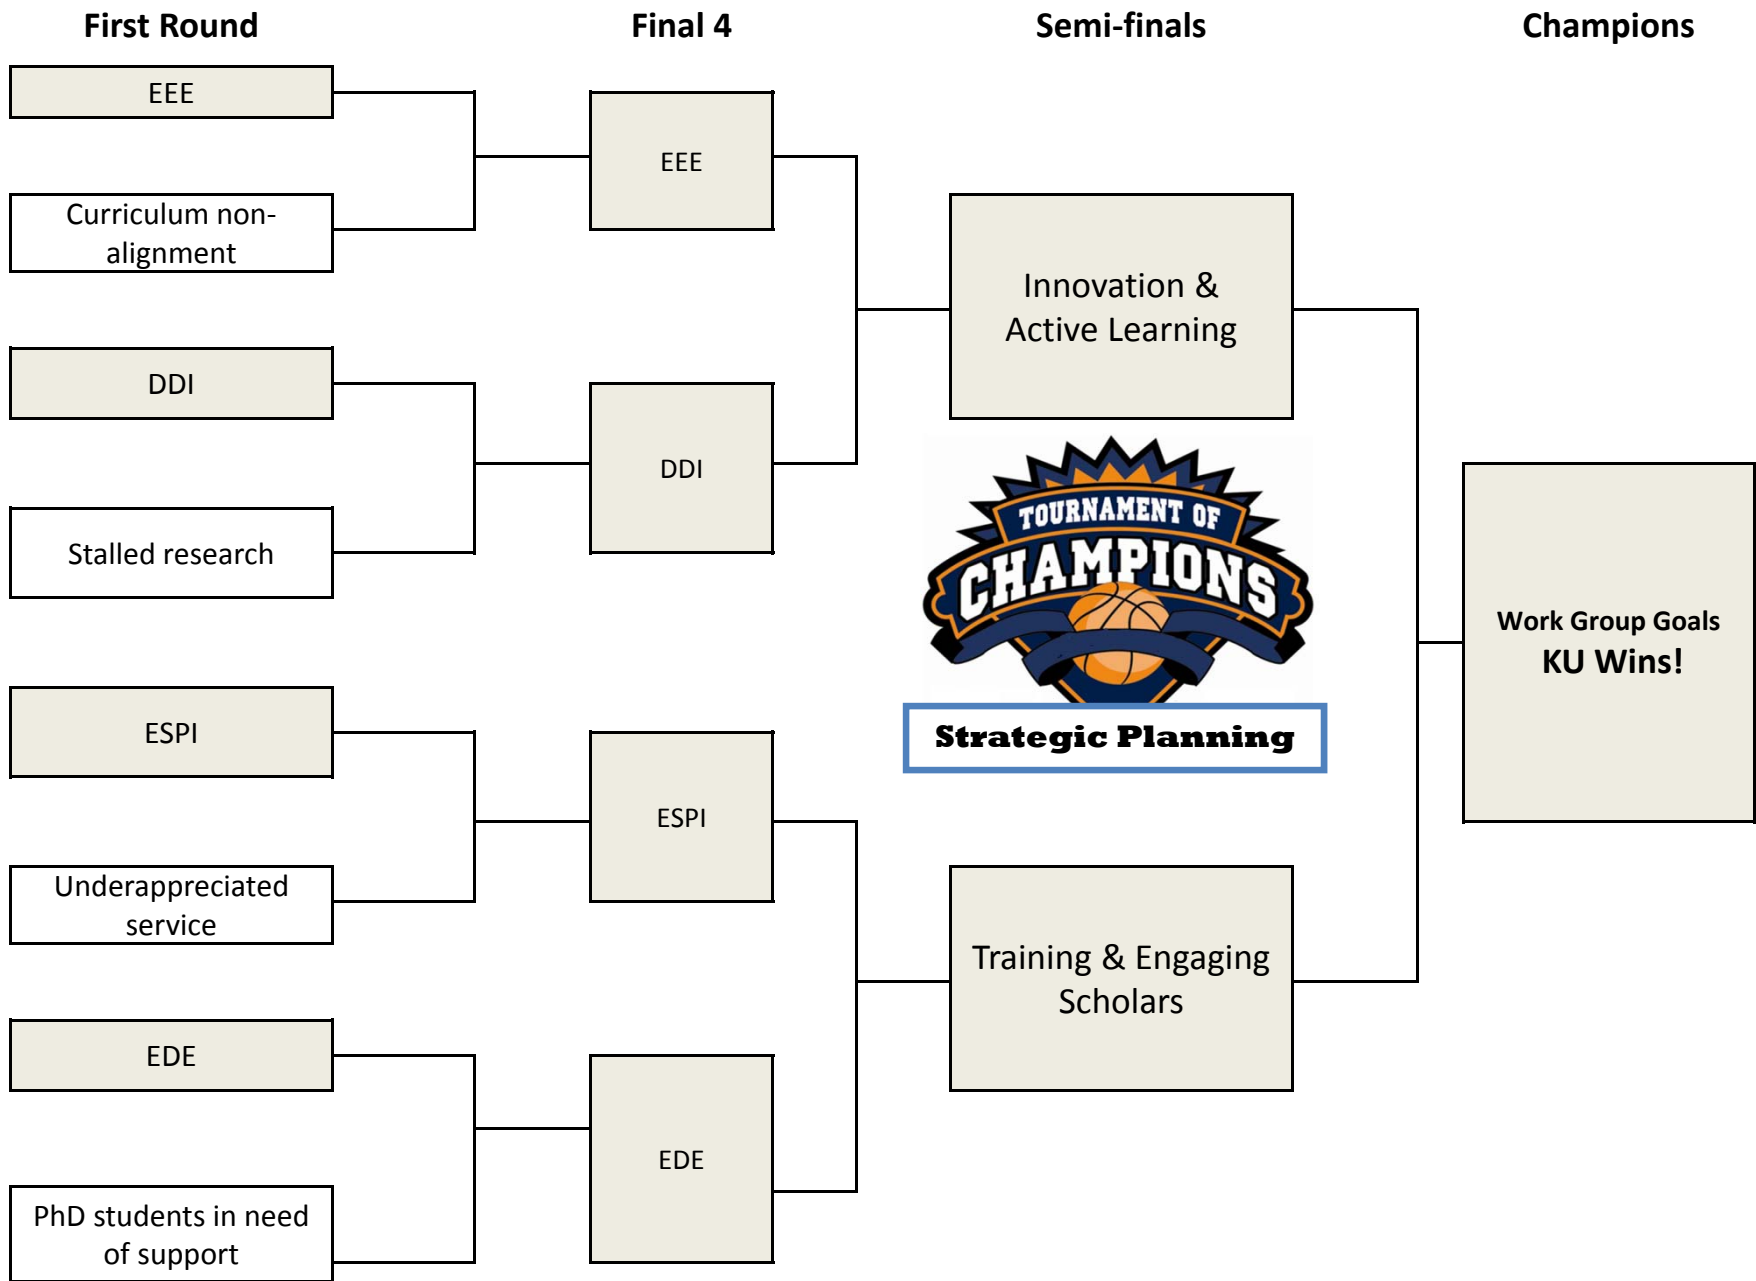

- Developing KU's people
  - Steering committee discussion
  - Survey completed last Friday
- Infrastructure
  - Recommendations/suggestions from the steering committee have been posted on the web for discussion
  - Extensive surveys and focus groups planned for organizational review
- Resources continue to be identified

Progress:

.....Today's Topic

# Work Group Reports

# Today's pre-championship game plan

- Work group reports
- Your feedback to the work group chairs, such as:
  1. Are the reports clear and compelling?
  2. Will the stated actions be effective and lead to the specified goal?
  3. Are the reports missing any key actions?
