

## Doctoral Education Work Group Meeting #9 – 4/9/12

---

### **Discussion Summary**

- Continued discussion of the final report outline, specific recommendations for models and actions steps, charts, and appendices.
- Work group agrees on final report content.

### **Decisions and Action Items**

- Danny and work group staff will create a first draft of the report based on the work group's recommendations. The report will be distributed the first week of May for feedback from the work group.
- The work group will meet during finals week to make final report edits and sign-off on the report before it is submitted to the provost and senior vice provost.
