

DIVERSITY, EQUITY, AND INCLUSION ADVISORY GROUP

At the March 22 and March 30 meetings of the DEI Advisory Group, members discussed the content, organization and timeline of completion for its advisory report this semester. Based on a suggestion from a group member, and the consensus of the group, members decided that it would be appropriate to schedule a meeting with the Interim Provost and Chancellor to formally present their offices with the completed advisory report. In the meantime, the group will be continuing with revisions and edits.
