

## **DIVERSITY, EQUITY, AND INCLUSION ADVISORY GROUP**

Naismith Room, Allen Fieldhouse

March 8, 2016, 8-10am

Following up on the last meeting and the Student Code, the student rights committee voted to reject the proposed revisions. There will be a new set of proposed revisions brought forward for consideration.

The groups outlined bullet points of the issues they have worked on. Over spring break, Dr. Lang will draft recommendations with narrative for the group to review. The final report should be ready by the end of April or beginning of May.
